# Submission Rules and Instructions

For estimated Turnaround Times, please visit [beckett.com/grading/estimated-turnaround-times](https://beckett.com/grading/estimated-turnaround-times). **Next Day** (24 hours - In by 1PM - Out next day by 4PM) and **Same Day** (In by 10AM - Out by 4PM).

- Fill in your name, account number, address, phone number and email in the space provided. Please note, we are unable to ship to P.O. Boxes. If you do not have an account number, one will be assigned to you.
- List a description for each card you are submitting with year of issue, set name, card number, card/player name and your declared value. For lines listing a quantity greater than one, enter the total declared value for all items in the "Declared Value" column.
- Select whether you would like your cards for **Grading** – your cards will be given a numeric grade unless they are deemed to be altered (trimmed, recolored etc.), which would then be sealed and authenticated in a standard Beckett Authentic/Altered case or for **Authentic Only** – your cards will not receive a numeric grade but will be placed into a Beckett holder and labeled as "Authentic" if they are deemed to be authentic, standard grading fees apply, by checking the appropriate box on the front.
- Select the Grading Service level for your submission. Note, only one service level can be selected per submission. If you would like to submit under multiple service levels, each submission must be submitted as a separate order with its own return shipping and insurance fees.

Definition of without subgrades: The without subgrades option does not provide grades for centering, corners, edges or surface, if the card grades below a BGS 10. The card will receive one, overall grade, based on the condition. Cards graded a BGS 10 will automatically include subgrades.

Raw/Graded Card Reviews are preliminary assessments and should not be considered as final grades.

- Calculate the subtotal of fees:
  - Grading fee calculation: Based on the service level selected, multiply the total number of cards by the appropriate fee.
  - Autograph grading fee: Add \$5 per card for each certified autograph to be graded.
  - Oversized surcharge: Add \$8 for each item that is larger than 3"x5" (International customers add \$12 per item that is larger than 3"x5").
  - Re-Encapsulation fee: Items that have already been graded by Beckett and now require a new holder due to scratching and/or chipping can be submitted for re-encapsulation for a fee of \$10 for an estimated 60 business days turnaround or \$25 per item for an estimated 10-15 business days turnaround. Note: if the sonic weld on the case has been broken, or shows signs of tampering, the item will not qualify for re-encapsulation and regular grading rates will apply.
  - Insurance: Insurance cost applies to all carriers and is based upon the declared value of the package.

Insurance Fees	
Declared Value	Fee
\$1-\$1,000	\$14
\$1,001-\$2,000	\$28
\$2,001-\$3,000	\$42
Add \$14 for each additional \$1,000 in declared value (or portion thereof).	

f. Shipping - Based on your shipping method choice, calculate the return shipping fee. You are responsible for return shipping on each order unless you have your own account with FedEx/UPS. If no shipping choice is selected, your order will be returned through FedEx Ground signature required. For international shipments, the customer is liable for any duties and taxes assessed on the shipment to and from Beckett. We reserve the right to change carriers without notice unless a shipping account is being used.

## Terms and Conditions

- All terms and conditions are subject to change.
- All fees paid to Beckett are NON-REFUNDABLE once the order begins the grading process. If a customer would like their cards returned, ungraded, prior to the grading process being started, there will be a charge of \$2 per card plus return shipping and insurance. Please note, cards showing evidence of counterfeiting, tampering, or restoration will be charged the full amount according to the service option selected as the determination to reject an item requires review by Beckett graders and authenticators.
- Beckett shall have no liability whatsoever to the customer for any damage to any items that Beckett can reasonably demonstrate occurred while not in the custody or control of Beckett. However, if Beckett determines the customer's submission was lost or damaged while in Beckett's possession, customer will be compensated based upon the fair market value of the submission as determined by Beckett's standard procedures which may include filing a claim with our insurance carrier. The owner's declared value is used for determining insurance cost of the return shipment and the maximum amount that can be claimed for damage or loss in shipment for any items. IN NO EVENT SHALL THE TOTAL LIABILITY EXCEED THE DECLARED VALUE OF THE ITEM.
- Beckett will provide collectors with the finest, most thorough, consistent and accurate authentication efforts available in the industry. Occasionally an item may have a typographical error on the label. Upon receipt from Beckett, customer must inspect all items and report any damage or discrepancy to Beckett within five (5) days of receipt. Customer agrees to return any incorrectly described item to Beckett upon request at any time, and agrees to indemnify and hold harmless Beckett and its affiliates against all losses and/or claims (including attorney's fees) caused by the circulation or sale of a mislabeled or inappropriate item or any unauthorized use of a Beckett certificate or label.
- Beckett will not be responsible for returning items sent with insufficient payment or inadequate contact information, nor will Beckett be required to contact you or retain your items in such circumstances for a period in excess of three (3) months from its initial receipt.
- Beckett will review any Beckett-Graded item(s) that you feel warrants a different grade. Additionally, we accept crossover submissions on items that have previously been graded by another third-party grading service. State a minimum grade, the lowest grade that you are willing to accept from Beckett, we will review the card in its existing holder and will only remove and encapsulate it in a Beckett holder if it meets or exceeds the minimum grade. On occasion, a flaw may be completely hidden by the existing holder, and once cracked out, the card cannot be crossed, for which Beckett will have no liability whatsoever. If the item doesn't meet the minimum grade, it is returned to you in the original holder. All service fees are charged regardless of your item being crossed-over or receiving a grade bump.
- In the ordinary course of its operations, Beckett (i) compiles data regarding each item submitted for authentication/grading, including, but not limited to, data relating to the identity, production, condition and grade of the item ("Data"); and (ii) may take, or have taken, one or more digital or other types of photographs, images or reproductions of each such item (collectively, the "Images"). In consideration for the authentication/grading services being provided by Beckett, Customer, on behalf of itself and any third party for whom Customer may be acting, hereby authorizes Beckett (i) to compile and maintain such Data with respect to each item submitted hereunder for authentication/grading; and (ii) to take, or cause to be taken, one or more Images of each such item, and further agrees that Beckett will be the owner of such Data and all such Images and that Beckett may use and exploit such Data and the Images for commercial and any other purposes, as Beckett in its sole discretion deems appropriate, including, but not limited to, the publication and republication or reproduction in or on any media, of such Data and Images. Without limiting the generality of the foregoing, Customer, on behalf of itself and any third party for whom Customer may be acting with respect to this agreement, unconditionally and irrevocably transfers, conveys and assigns to Beckett any and all current and any hereafter acquired rights, title and interests (including, without limitation, rights in copyright, patent, trade secret and trademark) that Customer or any such third party may have in or to the Data and the Images (on whatever media or in whatever form such Images may be reproduced or published).
- The rights and obligations of both you and Beckett shall be governed by and construed in accordance with the laws of the United States and the State of Texas, excluding its choice of law rules. By your submission of items or memorabilia to Beckett, you hereby (a) agree to all of the terms and conditions of these Submission Instructions, (b) submit yourself to the exclusive venue and jurisdiction of the United States District Court for the Northern District of Texas, Collin Division and/or the District Courts of Collin County, Texas, and (c) expressly waive any venue or jurisdiction to which you may otherwise be entitled by your present or future domicile.
